

KARYN SCARPA-CROMWELL

Karyn Scarpa-Cromwell

Scarpa-Cromwell established herself as a trailblazer in barefoot water skiing. She was a member of the National Barefoot Team for many years and is a seven time National Open Champion. She still holds all three Canadian records in the Women 1 division, and 2 in the Open Women division. On the international scene she placed 6th in all 4 events at the 1988 World Barefoot Championships and won three medals at the 1992 world championships including silver in the overall and helping Canada to a best-ever third in the team event. To this day, she is the only Canadian barefoot worlds overall medalist. Scarpa-Cromwell also took home a Gold Medal in jump at the 2003 Sr. World Championships.

Karyn has served on the WSWC Barefoot Committee, was a member of the Pan Am Barefoot Council and the World Barefoot Council.

“It’s great to be recognized for all the hard work I put into the sport,” said Scarpa-Cromwell, who now resides in Lakeland, Florida. “It was a great experience and I’ve encouraged my kids to get involved in sports at a high level and get that satisfaction of working hard for a goal and reaching it.”
