

KREG LLEWELLYN

Hometown: Innisfail, Alberta

Kreg Llewellyn got an early start to his water ski career when he frequented Sylvan Lake with his family. At age 6 he entered a tournament and the rest is history. Kreg is one of Canada's most successful skier's of all time.

Kreg Llewellyn

Known for his strength in Jump and for his mastery in Tricks, he was a dominant force on the water ski circuit for over 20 years. Kreg's first year on the National Team was 1984 and his brilliant skiing played an important role in the team's World Championship titles in 1991, 1993 and 1999.

Despite being plagued with several injuries over the years, Kreg still managed to win three medals at the 1991 World Championships in Austria, equaling the best-ever performance of 3 medals at a worlds for any Canadian. He is a 2 Time World Overall Silver Medalist, a World Slalom Medalist, U.S. Masters Trick Champion, 2 Time U.S. Open Overall and Trick Champion, and a Moomba Masters Overall and Trick Champion. Kreg currently holds 24 Canadian National Records in all three water ski events.

"It's something you don't think about in your competitive years but it is sure nice to get that recognition," said Llewellyn, whose younger brother Jaret is currently one of the biggest stars in the sport. "It's a great opportunity to thank everyone that helped you along the way. Water skiing can be an individualistic sport so for me my fondest memories are winning the world team titles for Canada."
