Athlete Profile

- Some of Pete's career highlights include winning Canada's first ever gold medal at a World Disabled Water Ski Championships, landing a jump in a competition (Canadian first) and increasing his slalom speed to 43-46km
- Pete feels that some of his greatest strengths are that he is strong, teachable, persistent and he likes speed and adrenaline!
- Pete got involved in the sport when he attended a wheelchair sports clinic back in 2001.
- Some of his hobbies and interests include weight lifting, playing poker, his family and his dog.
- Some important lessons Pete has learned over the past few seasons is to practice the gates, visualize, enter more competitions to get more comfortable with the sport, and try for personal bests.
- Some of Pete's future goals are to raise his twins and earn an international medal in the next 5 to 10 years.
