	Slalom	Tricks	Jump
Best Score	3@43km	300	9.3m

Athlete Profile:

- Ryan is the only visually impaired water skier on the National Adaptive Water Ski Team.
- He has been skiing since the age of seven and water skiing for only two years, but has already competed at the regional, national and international levels.
- Ryan's ultimate goal is to attend the 2009 World Adaptive Water Ski Championships (which he recently did) and to be the best visually impaired skier in the world.
- His main passion is water skiing but he also downhill skis and has played goal ball for a number of years.
- Ryan was featured in WakeSports Canada (July, 2008), the official publication of Water Ski and Wakeboard Canada.
